Dear Paul:

Happy to mention that the testimony of Frazier which you Xeroxed a few weeks ago arrived in good order.

Enclosed under separate cover earlier this morning I sent you by insured mail Finck's testimony. Please do let me have this back as soon as you possibly can after making the number of copies you and Harold think appropriate. On the return it will not be necessary to insure it because you will be able to replace it, if lost.

Enclosed is n addressed label.

Sincerely,

John Nichols
